EXPERIENCE

Personal Website: Sonolist.com - Riverside, CA.

MARCH 2022 - PRESENT

A Personal Music Playlist Sharing Website: Developed and designed an innovative online platform that empowers users to share and discover music playlists effortlessly. Leveraged third-party APIs, such as Spotify, to seamlessly integrate the platform with the most popular music streaming services.

Amazon Fulfillment Center - Riverside, CA.

NOVEMBER 2019 - PRESENT

Thriving in a fast-paced environment, I consistently meet and exceed high performance expectations, executing my duties with exceptional work rate and unwavering efficiency. By maintaining a strong focus on productivity, I contribute to the overall success of the fulfillment operations and guarantee customer satisfaction.

Aqua Ultraviolet - Temecula, CA.

APRIL 2019 - AUGUST 2019

I maintained and updated our company website using WordPress, incorporating essential features like chat messaging, automated responses, user tracking, and customer service functionalities. Successfully implemented core social media strategies, leveraging SEO and Facebook advertising to drive product awareness. Additionally, I showcased our brand's excellence through captivating blog creations and compelling media content, skillfully using tools like Photoshop and Final Cut Pro.
